

TATE GALLERY DIVERSITY WORKFORCE

PROFILE 2023-24

INTRODUCTION

Tate aims to serve as artistically adventurous and culturally inclusive global art museums. Our people are central to this purpose.

Our goal is for our workforce to more closely reflect the communities we serve. Publishing Workforce Diversity Profiles allows us to track change and target action to achieve this goal.

This report sets out Tate Gallery's workforce diversity data profile across the categories of age, disability, ethnicity, gender, religion and belief, and sexual orientation. The profiles for Tate Eats and Tate Commerce are reported separately.

SUPPORTING EQUALITY, DIVERSITY AND INCLUSION

- Tate’s People and Culture Strategy (2022–27) embeds our commitment to Equality, Diversity & Inclusion with the aim of driving sustainable change, innovation and impact across Tate and supporting the priorities of achieving real change in who works for Tate, and how they are looked after when they do so.
- As part of the strategy, we set workforce diversity targets. We aim to increase representation of colleagues identifying within Asian, Black, Mixed or Other ethnic groups (from 17.8% in 2021–22) to at least 21% by April 2025, and at least 25% by April 2027. Representation in this category has increased by 0.7% from 18.6% to 19.3% over the past year.
- We aim to increase our workforce representation of colleagues identifying as disabled (from 6% in 2022) to at least 7% by April 2025, and at least 10% by 2027. Representation in this category increased by 0.9% from 7% to 7.9% over the past year.
- Our BAME, disABILITY, LGBTQIA+ and Parents & Carers Networks play an important role in supporting and maintaining a diverse and inclusive culture at Tate.
- We have mandatory and additional Learning & Development resources for all colleagues. This includes elements of our induction programme for new employees and further options including workshop sessions and sessions designed for leadership teams. These aim to raise awareness, provide support and enable all employees to contribute to Tate’s vision to serve as artistically adventurous and culturally inclusive global art museums.

GUIDE TO THE DATA

- We have presented this data in charts and tables based on the data we hold.
- To ensure that we understand our workforce, all those applying for roles at Tate are asked to complete a Diversity Monitoring Questionnaire.
- Data is held confidentially and remains anonymous. Staff will be asked to check and update the data we hold every two years.
- Data totals are not displayed in the charts. These may vary within 0.01% of 100% due to the rounding of figures to two decimal places.
- Tate's Workforce Diversity Profiles for 2023-24 report ethnic groups in line with Census 2021. We have separated Asian, Black, Mixed and Other ethnic groups to provide a detailed representation of the data we collect.
- Our colleagues are not obliged to provide this information and we offer a 'Prefer not to say' option for all questions.
- We will continue to monitor data collection rates and aim to maintain and increase reporting levels across all characteristics
